## Water Co. In Fire Protection Discussion

### Survey Made With Possibility Of Laying New Water Mains

#### McGLINCHEY TAKES TO THE AIR TO FIGHT FIRE

John McGlinchey, veteran and picturesque fire warden of Livermore Valley, has "taken to the air." Last Saturday afternoon, due to the generosity of G. O. Smallcomb, Livermore aviation enthusiast, who has offered the use of his plane to the fire-fighters of that district, McGlinchey flew to the scene of a blaze at Pine Ridge which had broken out again after being extinguished at its start on Friday. Gaining a bird's-eye-view of the situation the fire warden was much better able to direct operations.

This was McGlinchey's first ride in a plane in spite of the fact that his son, Eugene McGlinchey, served with the aviation department during the World War.

#### Public Utilities California Corporation, May Extend Lines

Laying of mains in the section south of Niles, which now is without fire protection, is a possibility being considered by E. F. Glassbrook, local manager of the Public Utilities California Corporation, recent purchasers of the Citizens' Water Company.

"If residents in that section can furnish revenue anything like sufficient to justify the expense, I feel sure the company would gladly put in the mains as a matter of public service even though it did not prove to be as remunerative as they figure most of their projects must be," said Mr. Glassbrook, after surveying the territory in question at the invitation of a Register representative Monday morning.

Approximately two and one-tenth miles of pipe would be necessary to reach fifty-two residents who live along the highway from Shuckl Cannery south to Thane corner, out the Centerville road, down Cherry Lane and Santos Road.

Any fire hydrants put in are installed by the Fire District, this to be a logical improvement in case the district went into the fire district.

Residents of this section have opposed being included in the fire district because they claimed that no profits would be gained thereby to offset the extra tax. "We have no water with which to fight fires and having no hydrants can receive no lowering of insurance rates," they point out.

"Nearly everybody in this neighborhood would probably be in favor of going into the district," said R. W. Mendenhall, "if two

#### Niles Men To Attend Fair Thursday Night

Representatives of Niles, including Harvey Braun, member of the Alameda County Development commission, will attend the entertainment given in honor of distinguished guests at the County Fair at Hayward Thursday evening. Congressman Carter is to speak, H. G. Williams being chairman of a committee from the Development Commission to arrange for guests. Commissioner Jacob Harder, Jr., is chairman of the reception committee.

## Niles Fire Department Will Operate On Centerville Road

#### Commissioners Vote To Extend Service For One Month

Fire commissioners of Niles voted at their meeting Tuesday evening to answer all calls coming from the section immediately south of the Niles Fire District, during the month, definite action to be taken regarding the matter at the next regular meeting which will be held the first Tuesday in September. President F. V. Jones explained that the question was thus left up in the air so to speak for another month since there were only three of the commissioners present and it was deemed wise, inasmuch as the matter was a very important one, to wait until a full meeting could be had.

"We should like to have it understood," said Mr. Jones "that our saying that we could not go out of the fire district was not due to resentment or retaliation because the people in the territory in question voted not to come into the fire district, but simply

because we have been under the impression that we cannot legally operate except in the territory prescribed by our boundaries."

"We answered the call to the recent fire at the Children's Home," said Chief H. B. Rathbun. "We were first on the scene and ad the fire practically extinguished when the other department arrived. The article appearing in another of the township papers was misleading and extremely unfair."

"According to my understanding of the case we are taking a great risk, legally, to answer calls outside of our territory, but the other departments of the township operate under the same laws we do and if they are answering calls in that territory, then we will do so too, at least during the month until definite information can be obtained from the district attorney's office and definite plans can be made by the department."

"If the people in that territory wish to be included in the fire district, some one should circulate a petition for that purpose."

(Continued on Page Eight)

## DUNLOP RUBBER MEN SEEKING LOCATION FOR STATE FACTORY

#### AUTOIST ARRAIGNED ON HIT AND RUN CHARGE

Arraignment and setting of preliminary hearing for August 27, resulted from the hearing of Raralia Garcia on a charge of hit and run before Judge Allen G. Norris Tuesday. Garcia is charged with having run over Graydon E. Jolly, of Berkeley, while he was riding his bicycle along the highway near the high school at Centerville last Friday evening. Jolly was picked up Saturday morning badly bruised and suffering from shock and taken to a San Jose hospital.

#### Hetch-Hetchy Men Make "Whoopie"

In spite of the fact that three Hetch-Hetchy employees became most gloriously intoxicated and "took the town," including Oliver's Garage and the Niles Theater Monday evening, no one swore to a complaint against them and after a night in the local jail they were lectured by Judge J. A. Silva in the justice court Tuesday and turned loose with grave admonitions to "let it be the last time."

Uno Skogg, of Sixth avenue, San Francisco, Carl Chigley and G. Johnson, all said to be Hetch-Hetchy employees from Sunol, caused so much excitement around Niles Monday evening that chance visitors must have thought this was the last outpost of the old wild, wild, whoopie west. Being forcibly ejected from Oliver's garage and the local theater, they were arrested by Constable M. J. Bernardo and Art Roderick, Niles' night-watchman, and placed in the local jail where they spent the night.

When they appeared before Judge Silva Tuesday no one swore to a complaint so there was nothing for the judge to do but give them a good lecture and let them go.

The search of the men before being locked up in the city bastille disclosed a letter on one of the men which he had promised to mail for a friend several days ago. The man begged Night-watchman Art Roderick to be sure to mail it for him.

#### CHICO PEOPLE IN WRECK AT NEWARK BRIDGE SUNDAY

A sedan registered to Ellen E. Vaughn and Martin H. Vaughn, of 4201 Second street, Chico, was towed into the American Garage Sunday evening having its right rear fender, wheel and running board badly damaged. Details of the wreck were not learned, but it is reported that the crash occurred near the Dumbarton bridge Sunday evening about nine o'clock.

#### Son Is Born To Mr. and Mrs. Kibby

A six-pound boy was born to Mr. and Mrs. H. M. Kibby at the Silva Maternity Home last Thursday.

Ed Madellos has been confined to his home for two days with an injured foot.

#### Representative Visited In Centerville Tuesday

Surveys which may result in the establishment of a factory for the Dunlop Rubber Company of California in this part of the state are now under way, W. E. Hyde, Eastbay representative, being in Centerville Tuesday in connection with this business and conferring with the Dunlop local representative, the Dohner-Galbraith Ford Agency.

Mr. Hyde announced that A. Schuman, assistant to the president of the Dunlop Rubber company, accompanied by J. Buschman, were definitely seeking a location for the new factory in California. He is assisting them in making a survey as to the possible amount of business to be expected from this territory. As much of the Dunlop Tire Co. business is export, this part of the state would be especially suitable for location considering the splendid transportation facilities offered both by rail and water.

The Register suggests that the various Chambers of Commerce of Washington Township might do well to get into touch with this organization regarding the location of the California Dunlop factory. Climate, location, transportation and other characteristics of a number of township sites would be splendid drawing cards for this establishment and its location would in turn mean much to the southern end of Alameda county, which is fast becoming an industrial center of the state.

## Preliminary Work Started For Lighting District In Niles

#### Committee Appointed To Describe Boundaries And Make Survey

Chas. Peersen, H. B. Rathbun and F. V. Jones were appointed as a committee to carry on all preliminary work regarding establishment of a lighting district for Niles, at a mass meeting held at the local theatre Tuesday evening, attended by about twenty five merchants and business men. Mr. Jones presided and W. J. Helm acted as secretary.

H. H. Robinson, of the Pacific Gas and Electric company, once more explained the proposed lighting system which would call for thirteen one thousand candle power lamps to be installed on First street at a cost of \$69.55 per month, including all power, installation, cleaning four times a year and replacement of all broken glass, etc.

The meeting voted unanimously to proceed with the preliminary work or establishing the lighting district, that is the committee was empowered to describe the boundaries of the proposed district as certain the assessed valuation and estimate the per-property-owner tax necessary.

It was suggested that the side streets leading west from First street be included as they would benefit from the lights placed on the corners.

Chas. Peterson, of the Niles theatre, has been the leading spirit in the fight to keep the three test lights on Main street installed recently by the P. G. & E. "Those lights are not coming

## TWENTY-ONE IN INITIATION AT ALVARADO MEET

#### Eagles Stage An Oldtime Box Social; Hundred In Attendance

About 100 Eagles from over Washington Township attended the initiation and box supper held at Alvarado Monday evening, according to T. E. Amaral, secretary.

Much merriment was caused by the auctioning of the box lunches and the revival of this old-time custom seemed to be a decided success. J. S. Martin acted as auctioneer.

R. B. Joseph, of Alvarado, has charge of the initiation, 21 candidates being taken into the Alvarado Aerie of Eagles, No. 1695.

## PLAYING RODEO IS DOWNFALL OF SMALL GIRL

Little Mary Hoppe, aged five, daughter of Mr. and Mrs. John Hoppe, of Ulmar, was given first aid by Dr. W. E. Judson Sunday afternoon after she had sustained severe bruises and scratches in a fall from a horse she had been riding with two playmates in an attempt to duplicate some of the trick and fancy riding stunts witnessed recently in the Livermore rodeo arena. Although brought to the hospital in an unconscious condition, she proved to be not seriously injured and is resting up in bandages, having decided at latest reports to give up previous hopes of being a star bulldogger at next year's performance.

Mrs. Florence M. Hudson returned Sunday from a vacation spent in Yosemite.

Mrs. M. Hobbs and Miss Hansen, of Los Gatos, visited Mrs. J. E. Thane this week.

## NEW STREET LIGHTS INSTALLED BY DELUXE SHOP

Lending material aid to the move to light Niles better, the DeLuxe Beauty and Barber Shop has installed two new street lights which illuminate to a great extent the first block on I street, leading to their place of business and to the Niles Library.

New show cases are also being installed in order to take care of an additional line of toilet articles which will be carried by this establishment which has grown within a few years from a small concern to one of Niles' leading businesses.

#### LOCAL BOY ART SCHOOL STUDENT IN SAN FRANCISCO

Harry Green who has been a student at Schaeffer's Rhythmo-Chromatic Studio in San Francisco during his vacation from the Galt high school will complete the five-weeks' course this week. He spent the week-end with his mother, Mrs. Fern Mitte.

## Editorial Comment

By NORMAN H. PARKS, Publisher Register

### TWO SKUNKS AT LARGE

WE WERE right! The parole board has lived up to its reputation and the stench of its latest act has befouled the atmosphere of political California from Siskiyou county to the International line at Tia Juana.

Paul Kelly is free! Twenty-five months ago he committed a dastardly murder. First he ruined a man's home. In the guise of a friend, he wormed his way into the confidence of Dorothy McKay's husband, and taking advantages of his hospitality became intimate with the actress, herself a mother of a little girl. This relationship continued until the trusting husband at last had his eyes open to the villiany of his pseudo-friend, Kelly. Protesting the invasion of his domestic relationship, the husband, instead of receiving a pledge of future correct conduct from Kelly, received instead, from the hands of the six-foot bully, a beating, from which he expired a short time later, almost before the very eyes of his wife who sat drinking with her paramour—a dirty rogue and human cur.

And the parole board turned Dorothy loose a few months ago; now it has set this skunk free to join her, that they may resume their illicit love, free from the confining steel bars of a prison.

\*\*\*

We shift the picture. Russell Beitzel, a youth with no friends in California, was hung at San Quentin last week. He was charged with murdering his sweetheart. The evidence against him was entirely circumstantial, though he was probably guilty. His crime was likely committed in a fit of jealousy, a monster of passion that has no parallel in emotional excitement. Truly it is temporary insanity. Yet the youth paid the supreme penalty. And there was a doubt as to his guilt.

He protested his innocence on the scaffold, and went down to eternity with no confession on his lips.

And what a contrast! What a mockery at equality before the law. There is no equality. It is a theory. Our laws are made and conceived with the purpose of even justice, but other forces and processes work for their nullification.

\*\*\*

Again we call on Governor Young to act. California is becoming mortified at the conduct of this notorious parole board. It is setting aside the decrees of juries. It is making equality before the law a joke and a thing to be reviled. It is robbing men of confidence in the courts. It is making bolsheviks of conservative thinking men and women.

It is a disgrace, a shame, and he, as governor, to remain silent, casts an ineffaceable stigma on his administration!

### A DIFFERENT KIND OF BOY

ORVILLE BLOSE, a sixteen-year-old boy Decoto, who has been correspondent for the Township Register in his home community for two years and since January assisting Mrs. F. O. Bunting in the preparation of the Centerville page, has moved with his family to Oakland. Naturally, he has been forced to terminate his connection with this paper, and in his farewell, he sincerely says that he does so with regret. And the Township Register publisher shares that regret.

It is, indeed, a wonderful thing in this jazz age to meet and come in contact with a youth like Orville. Every minute of his time is taken up with constructive work. Other boys of his age do not embrace, generally, a serious thought. Flaming youth, they figure, must be emblazoned and caricatured in themselves. They are trying hard to live up to the reputation accorded them by "College Humor" and other publications quite as slushy and demoralizing.

At sixteen, Orville has graduated from Washington Union High school with honor. He has been active in the debating squad. He has played leading parts in class dramatics. Always he has acquitted himself with distinction, and with honor to his school. And he has found time to write a department of news from Decoto, his home, and fill quite a portion of a page from

## MISS POPE, NEWARK GIRL, INJURED IN WRECK

Miss Katherine Pope, of Newark, and Lynn Deister, of Alameda, while returning from a dance at the Garden of Allah were painfully but not seriously injured when a car driven by Mayfield people ran into them about 1:30 o'clock Sunday morning. Both Miss Pope and Mr. Deister were severely bruised and cut and Mr. Deister's car, a new Ford was completely wrecked, having been hit hard enough to turn it over twice.

Occupants of the other car were Ralph Dethies and Marjorie Matheson, of Mayfield, Miss Matheson suffering bruises and lacerations on her nose.

All four young people were given first aid by Dr. G. S. Holman, of Centerville.

Carl Newman was host at a private barbecue and "Garden Tea Party" at his home last Sunday in honor of his wife's birthday. About twenty people attended from San Francisco and Bay Regions and Newark.

Ground is being broken this week for a new chemical concern which is to be operated at the west end of Newark.

Mrs. E. C. Sullivan is reported as improving nicely at O'Connor's Sanitarium in San Jose after a week's illness.

The Newark Grammar school will reopen on August 26 with the following teachers in charge: Eph. L. Musick, principal, Ruth Blair Townsend, Margaret Laudenschlag, Winifred Rose Coelhe and Carolyn Hardison.

Miss Rose Santos has again resumed her position as telephone operator here after many months' absence.

Mr. and Mrs. N. D. Slevin and son, Edwin, spent Sunday in Oakland.

Mr. and Mrs. Joe Piva were visitors in Oakland on Sunday.

Mrs. Margaret Kagey spent the week end in Burlingame as the guest of Mrs. Annie Plummer.

Miss Marie Bonner and Edward Collins of San Francisco were visitors at the Collins' home on Sunday.

Mr. and Mrs. Joe Marton are the proud owners of a new Whippet DeLuxe sedan.

Paul Gyax, Jr., is the proud owner of a new Ford coupe delivered to him Tuesday.

Mr. and Mrs. John Marshall and daughter, Vivian, were visitors in Santa Cruz on Sunday.

## DRIVERS' LICENSE LAW GOES INTO EFFECT 14TH

California's new traffic law which requires every driver of an automotive vehicle to take an examination every two years will go into effect next Wednesday, August 14. Already hundreds of drivers in the township have taken their examinations and others who procured their licenses prior to January 1, 1927, may be examined any Tuesday at Judge Allen G. Norris' justice court in Centerville or on Thursday at Judge J. A. Silva's court in Niles.

In connection with the examinations, which must be taken by close to 2,000,000 drivers, the motorists' organization calls attention to the following statement issued by the California Committee on Public Safety:

"The recent action of the state in calling upon operators of motor vehicles to submit to examination as to fitness and to obtain new licenses is expected to eliminate many dangerous operators now on the highways. However, a study of the situation shows that it is not the inexperienced or unfit drivers who cause all the accidents. The careless and reckless experienced drivers take a heavy toll of human life and property.

"According to statistics, automobiles are ten times as deadly as typhoid fever. They are nearly twice as deadly as diphtheria. But, this fatality rate is preventable if each citizen will do his duty.

"While the California Committee on Public Safety is a coordination of nearly fifty state-wide bodies, and it is working through the radio, newspapers, magazines, pictures, and civic organizations, the responsibility for safe driving in the final analysis is up to the individual.

"If every citizen will give a little thought and time to the big subject of safety in traffic, the effect will be far-reaching indeed, and the 2,000 dead, 50,000 injured and \$60,000,000 property loss faced by the people of California this year will be reduced materially.

## Parent-Teachers To Picnic at County Fair

## Local Products To Be Shown At 75th Annual State Fair

When the California State Fair opens its observation of the 75th annual celebration at Sacramento August 31 to September 9, with a Diamond Jubilee and Western States Exposition, Niles will be as much on the map as any metropolis of the west.

The county exhibit is about fifty per cent complete and will be much more beautiful this year than previously. Harvey Braun, of the Alameda County Development Commission reports he has received nine boxes of fruit, most of it from the California Nursery for the Niles' exhibit.

### California Fruits

"The World's Greatest Horticultural Show" is one of the titles given this celebration. Deciduous, citrus and sub-tropical fruits from 58 counties of California, surpassing all in quality and variety, will be on display, as will the products of six other western states.

### Livestock

Trophies and medals and \$37,000 in cash prizes will be offered in the livestock show and \$23,600 will be awarded in the horse show which will be the principal evening attraction of the exposition.

### Aviation

The first airplane show ever held under the auspices of the State of California will be shown in which the latest models of aircraft paraphernalia will be shown.

### Special Days

Advertising Clubs, Lions' Clubs, Rotary Clubs, Chambers of Commerce, etc., will hold special days during the exposition, special programs being arranged for these delegations.

### Cooking School

Many of the women will be especially interested in the cooking school, a new feature of the State Fair, which will be conducted in a large tent with seating accommodations for 500 persons.

Instruction will be given in all branches of the culinary art. Prize recipes and contests of various kinds will add to the interest of the school. Miss Grace Hamann, graduate of the college of home economics of Cornell University and at present head of the domestic science experimental department of the Phillips

Milling Company, will have charge.

### Educational Exhibit

It is hoped that some of Washington Township's schools will be represented in the educational exhibit.

## SCHUCKL'S START ANOTHER RUN ON AUGUST 19

Schuckl's cannery completed their apricot run last Thursday and are taking a two weeks' vacation before starting fruit salad canning. About one hundred picked workers will be employed in this run for six weeks. A new system will be installed for the fruit salad work, according to A. F. Johnson, office manager.

All pears, peaches and tomatoes will be canned at the Sunnyvale plant.

## PLANS APPROVED FOR PATTERSON SLOUGH BRIDGE

Bids for the \$60,000 bridge across Patterson Slough on the Centerville Alvarado road will be advertised for this week-end plans submitted by County Surveyor George E. Posey having been accepted by the supervisors at their meeting Tuesday, as announced here by Supervisor Ralph Richmond.

It is expected that the Clark bridge bids will be advertised for next week. As detailed in last week's Register, both these bridges will greatly improve transportation condition in the township.

Elk Grove—Construction progressing rapidly on new telephone office of Public Utilities California Corporation and will be ready for occupancy early in August.

## STUDENT PREACHER TO BE IN NILES NEXT SUNDAY

One of the students at the Pacific School of Religion at Berkeley will fill the pulpit at the Niles Congregational Church next Sunday morning at 11 o'clock, as announced by the present pastor, Rev. A. W. Seebart, who will complete his pastorate here on the following Sunday, August 18.

Services in the church were started for the fall, Sunday, after the summer vacation. Sunday School has continued throughout the vacation period.

Glendale—Hollywood Shoe Manufacturing Company, Inc. being established in its new \$27,000 brick building.

Brea—City swimming pool recently completed.

Local Agent

## Deer Season Opens In Alameda County On First Of August

### Special Tag Necessary For Those Who Would Hunt Deer

Which resident of Washington Township is to have the honor of bringing in the first deer of the season? The Register will appreciate information in regard to this matter in order that credit may be duly given.

The deer hunting season opened in districts two, two and a half and three on August 1. These districts include parts of Fresno, Kern, Kings, Merced, San Joaquin, Stanislaus and Mendocino counties, and the counties of Alameda, Colusa, Contra Costa, Glenn, Lake, Marin, Monterey, Napa, San Benito, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Solano, Sonoma, Ventura and Yolo.

Special deer tag licenses and hunting licenses are being issued for deer hunters. The deer tags are required to be carried by all who hunt deer in California in addition to the regular hunting license. Tags and licenses can be secured from A. M. Alves at Abbott's Hardware Store in Niles or at practically any hardware store in the township.

When a deer is killed the hunter must immediately fill out both parts of the tag. One section must be attached at once to the horns of the deer, and the other part mailed to the office of the Division of Fish and Game at San Francisco. The tags show the name and address of the hunter, the place where the deer was killed, species of deer, number of points, and the day and hour that the kill was made. Failure to comply with the provisions of the deer tag law is a misdemeanor.

Two deer may be killed provided they are legal deer, that is bucks with two or more points on the horns. Does, fawns and spike bucks are protected by law.

Deer have been spotted in the hills about Niles Canyon this past week and the Mission Peak road is one of their favorite haunts. Hunting in the Livermore district will be more restricted by landowners this year, more stringent regulations concerning trespassing, more protected areas, coupled with additional reinforcements in the way of game wardens will make hunting in the adjacent hills a rather difficult task.

Game Warden Frank Rogers, of Centerville, assisted by five deputies, will patrol the hills during the season and members of the Livermore Stockmen's Protective Association are also looking after their interests.

Many hunters do not know that in addition to the regular hunting license, a special deer tag must be secured and failure to comply brings a punishment of fines not less than \$50 and not more than \$500 or by imprisonment in the county jail for not less than twenty-five days or more than 150 days.

## Township Students To Enroll At University Next Thursday

Next Thursday the fall term at the University of California at Berkeley will begin, an enrollment of 10,000 being expected. Thirty-eight thousand five hundred and sixty-eight people took advantage of the educational opportunities offered them by the University of California Extension Division classes for the fiscal year ending June 30, 1929. These figures do not include the University Extension Correspondence Division which last year conducted courses through the mails for 5,805 people.

Included in the 10,000 expected to enroll in the University proper,

will be a number of township young people, some of them enrolling as Freshmen, this group including Orville Bloise and Jack Bunker, both boys having moved from the township this past week. Other local students are Lucy Shinn, Carol Overaker, Paul Donovan, Mervyn Blacow, Mary Beveridge and Mildred Sayles.

On August 15, the University of California will open its 70th consecutive year. In 1860, eight freshmen were registered.

Miss Millicent Shinn, one of Niles' distinguished citizens, was the first woman to receive a Ph. D. from the University.

The senior students at the University have developed an organization to care for the new freshmen. Each freshman will be assigned to the care of an older student who will give him the benefit of his experience and acquaint him with the University. A special program of orientation lectures and social meetings to welcome the new students has also been arranged.

The Alumni Bureau of Occupations is busy listing jobs which self-supporting students will need when they come to college. Each year, through the employment office maintained by alumni on the campus, students are enabled to obtain positions which bring them in approximately \$1,000,000 in wages.

One of the interesting new buildings on the campus is the International House for which foundations are now being laid. Allen C. Blaisdell, director, will welcome foreign students and make them feel at home on the campus and when International House is finished there will be students residing there representing practically every country in the world, along with about 150 American students.

### Pleasanton Man On Essay Committee

Ernest W. Schween, secretary of the Pleasanton Native Sons, has been named a member of the arrangements committee which will direct the work of the California history essay contest of the extension-of-the-order committee of the Alameda County Native Sons. Students of all high schools of the county and junior high schools of the county have been invited by the committee to participate in the second contest, which will open the second week after the schools of the county resume their studies for the fall term.

Residents of Warm Springs cited a grass fire of considerable proportions about ten miles north of Mt. Hamilton Sunday evening. No reports of extent of damage could be ascertained.

Yuba City—United States postal branch station moved to new quarters.

### Personal Items

Miss Gertrude Ellsworth returned last week from a visit with relatives in Ripon.

Miss Elizabeth Shinn returned last week from a visit in Los Angeles, spending the latter part of the week with her aunt, Mrs. Cobb, in Berkeley.

Mrs. Manuel Duarte returned home last week from the Silva Maternity Home and is recuperating splendidly.

Mr. and Mrs. J. C. Shinn are expected home this week-end from a month's trip with the Sierra Club.

Mrs. Jack Geib, of the Mutual Store, left Monday for a week's vacation at Carmel. She was accompanied by Mrs. Wenzel of San Bruno.

Mr. Tobin, who has been visiting his daughter, Mrs. Wm. Eberly, this summer, returned to his home in San Francisco last week much improved in health.

Jack Williamson, local Tribune representative, is on a two weeks' vacation.

Mrs. R. W. Mendenhall and Everett are leaving this week-end for a week's vacation at Long Beach making the trip by bus.

**BELT** of genuine leather in black or tan.

**This Outfit Is a Marvelous Value at This Low Price—**

**\$13.58**

### "SPECIAL TO THE REGISTER"

By JULIA M. RUSCHIN

Aug. 8.—Just a picture of life describes "For the Love of John."

A comedy drama by Harry Hamilton, which is the next attraction offered by the Centerville Dramatic Club for the benefit of the Centerville Catholic Church.

This play will undoubtedly prove one of the most notable successes of the year. Its greatest recommendation is that the story is refreshing and the action quick; it brushes the memory with balmy breezes of long ago; and it is sometimes called the "play of human hearts." And a gripping, intense play of human hearts is what it is.

The dramatic club expects to have this play ready by August 28, and it is to be hoped that a large crowd will attend as this promises to be the best play ever staged by the club. The play is under the able direction of Mr. Frank Jones, noted play director of Newark.

### Livermore Couple Wed in Pleasanton

At a pretty garden wedding in Pleasanton on Saturday evening, Miss Donna Ziegenfuss and Allan C. Henry, of Livermore, were wedded. The ceremony took place at the bride's home, and Rev. Robert C. Cross, of the Presbyterian Church read the service. The couple was attended by Mrs. Lane Teeter Holm of Livermore, as bridesmaid, and William Gilbert of Oakland, as best man. Little Miss Betty Hall, niece of the bride, was flower girl. During the ceremony Miss Ruth Fevier sang, and the wedding march was played by Mrs. William Hall, sister of the bride. The ceremony which was attended by the relatives of the young couple and a few close friends, was followed by a reception and a buffet supper. The bride is the daughter of Mr. and Mrs. Thomas Ziegenfuss, who have made Pleasanton their home for many years and where the family is well known. Henry is the son

of Mrs. Edna Henry, owner of the Livermore Herald, and the late A. L. Henry, for many years one of the leading newspapermen of the state. After a brief honeymoon the couple will make their home in Hayward.

Dunsmuir—Excavation started on Stores at Florene avenue.

THE BELL SYSTEM IS BUILDING AHEAD OF THE GROWTH OF THE COUNTRY

## This is the telephone's job and goal

THE United States is developing a new civilization. The telephone is an indispensable element in it. The Bell System is building ahead of the growth of this civilization. In 1929 the telephone budget for land and buildings is 54 million dollars, with new buildings rising in 200 cities. New equipment for central offices will cost 142 millions; exchange lines 120 millions; toll lines 119 millions.

The Bell System's total expenditure for plant and service improvements this year will be 559 million dollars.

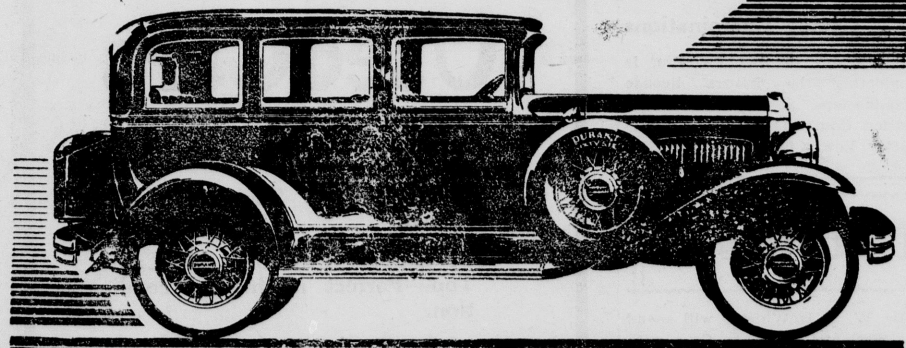

This outlay is required because the telephone is a universal servant of this democracy. Business uses it to create more prosperity. Homes use it for comfort and protection, for keeping friendships alive and enriching life. Its general use enables each personality to extend itself without regard to distance.

The telephone ideal is that anyone, anywhere, shall be able to talk quickly and at reasonable cost with anyone, anywhere else. There is no standing still in the Bell System.

Aug. 22—Freshmen registration at High School.  
Aug. 23—Upper class registration at High School.  
Aug. 26—High School opens.  
Aug. 26—Grammar School Opens.  
August 28—"For the Love of Johnny"—Parish Hall.  
Sept. 1—Presbyterian church resumes services.  
Sept. 8, 9, 10—N. S. G. W., N. D. G. W., celebration, Santa Cruz.  
Sept. 3—Night school opens.

### High School Secretary Returns To Duties

Miss Florence Aust, secretary of Washington Union high school, returned Wednesday from a two weeks' vacation. Miss Aust is on the job the year 'round taking care of the many details of school management which must go through her hands at the direction of Principal E. B. Hodges.

### P. G. & E. Men Leave Centerville Hotel

All but five of the Pacific Gas and Electric Company employees who have been working in and around Irvington have checked out of the Gregory Hotel at Centerville, where they have been staying for the past few weeks. About fifteen in all have had their living quarters there.

## Nightschool To Offer Varied List Of Classes For Adults

### NEW CHEMICAL FIND MADE BY LOCAL MOTORISTS

An interesting discovery which may mean a fortune to its originator was made by Mr. and Mrs. K. E. Chute on their recent visit to Mount Lassen, samples of a new product being manufactured for automobile paint being brought back and seen this week at the Dohner-Galbraith Ford Agency in Centerville, with which firm Mrs. Chute is connected.

It seems that one of the natives of the Mt. Lassen territory discovered that by treating with a secret process a natural product which contains considerable sulphur, the residue of the liquid formed a blue chalk which will form the basis of an automobile paint.

"The new road to Mt. Lassen is going to be wonderful," said Mrs. Chute, "when it is finished! Right now a caterpillar tractor would be a suitable vehicle in which to traverse it. In spite of the roughness caused by construction work now in progress, we enjoyed the beautiful scenery and were much interested in the mineral springs, hot sulphur springs, etc."

"The new road leads through Red Bluff and via Mineral to Mt. Lassen."

### Mr. and Mrs. Nehr At Home to 30 Friends

Invitations were received from "Jack and Lucy" of San Jose, asking friends to spend Saturday evening with them for cards and a good time. About thirty availed themselves of the privilege. Mr. and Mrs. Nehr have spent much of the first year of their married life in making a home. Those who have been there appreciate their artistic and homelike work.

Dutch whist was played and delicious refreshments served. Just before the latter was passed Mr. Nehr brought around a novel "Noah's Ark," each one pulling a string and found they had an unique animal. Each one was supposed to tell what characteristic of that animal they possessed.

The fortunate ones at the cards were Mr. and Mrs. C. C. Hanson, winning first prize; Mrs. B. Hawley, consolation; and Mr. Alter, of San Jose, consolation for gentlemen. Miss E. Bergman won the cut prize.

It was late before the guests made their adieus, thanking their charming host and hostess for a delightful evening.

### Coits Enjoy Wild Flowers In Sierras

"One cannot possibly imagine how beautiful Tuolumne Meadows and Yosemite Valley are at this time with their wealth of wild flowers," said George Coit Tuesday, having returned with Mrs. Coit and the children Monday from a weeks' vacation in the High Sierras.

What is lost by the falls not being as full as they are in the early spring is more than made up by the beauty of stretches of meadows which are a solid mass of blossoms of varied colors and shades, Mr. Coit thinks.

### Visitors in Canada Enjoying Vacation

Letters from Rev. E. L. McElhinney and George Robinson, Jr., who are making an extensive visit in Canada indicate that the trio (Rev. McElhinney's nephew also being in the party) are having a most interesting vacation. They left Centerville the middle of July and expect to return the latter part of August.

The Presbyterian church is having a vacation during this period but the Sunday School continues each Sunday. Church services will begin again September first.

### Opening Session Will Be Held Tuesday Evening September 3rd

Nightschool at the Washington Union High school will open Tuesday evening, September 3, according to Principal E. B. Hodges, who announces that the following classes will be offered if there are sufficient registrations in each to warrant them:

Spanish.  
Auto mechanics.  
Instrumental music.  
Current Events.  
Sewing.  
Bookkeeping.  
Citizenship.  
Beginners' English.  
Advanced English.

The faculty has not been selected but a number of them will be chosen from the regular high school teachers. Mr. Hodges especially hopes to have the current events, citizenship, and Spanish classes filled sufficiently to continue them throughout the season. The others are usually much in demand.

Any adults interested in these classes are asked to communicate with Mr. Hodges or the high school secretary.

## BIDS TO BE ASKED FOR CENTERVILLE GRAMMARSCHOOL

Arrangements are being made to advertise for bids for the new four-room primary department for the Centerville Grammar school this week, states Judge Allen G. Norris, of the school board.

This unit will be a separate building from the main structure and will be ready for occupancy by the beginning of the spring school term. The new building will cost approximately \$12,000.

### Dohner-Galbraith Man Changes Residence

Mr. and Mrs. R. D. Mawson and family, of Hayward, have moved into their new home in Newark, in order that Mr. Mawson may be more conveniently located for his business connections with Dohner-Galbraith Ford Agency here, being stock clerk for that concern.

## Personal Items

Dr. and Mrs. W. L. McWhirter and son, Tom, spent Sunday in Santa Cruz, Mrs. McWhirter and son to remain for a week's vacation.

\*\*\*  
Mrs. Manuel Bernardo and son, Stanley, left Tuesday for a two weeks' visit at Richmond Springs.

\*\*\*  
Mrs. M. R. Lampson, of Fresno, visited Mr. and Mrs. E. B. Hodges on Tuesday.

\*\*\*  
Mrs. E. B. Hodges and daughter Irma, have returned from an extensive visit in Wisconsin, Iowa and other points.

\*\*\*  
Mr. and Mrs. L. C. Marriott and family left Sunday for a two weeks' vacation in Idaho. Mr. Marriott is employed at the Centerville branch of the Bank of Italy.

\*\*\*  
Mr. and Mrs. Floyd Sherman and family have returned from a ten days' vacation spent in Lake County. Mr. Sherman has charge of the radio department at Farrington's Electric Service shop.

\*\*\*  
Floyd Parks spent Sunday hunting in the Santa Cruz mountains.

\*\*\*  
The Ormsby family is now at the ranch in Amador county. They have been camping with Sydney Snow there, getting material for animal pictures.

## ELLIS HEATH DAIRY SOLD TO DOKE OF HAYWARD

J. C. Doke, until recently cow tester for Unit No. 1 of the Alameda County Farm Bureau Cow Testing Association, has purchased the Ellis A. Heath dairy and has made his headquarters in Hayward instead of in Centerville as has been the case. Mr. Doke expects to deliver much of his dairy's milk in Hayward.

Walter N. Christensen succeeds Mr. Doke as cow tester, taking up his first work at the Zwissig dairy in Decoto.

### DECOTO BOY PUT ON 90-DAY PROBATION

John Andrews Resents Suggestion That He Get Job

When his mother suggested that he get a job and contribute to his support, John Andrews, aged eighteen, of Decoto, attempted to batter down the door with an axe when mother and children had taken refuge behind locked barricade.

Judge Allen G. Norris, of Centerville justice court, issued a warrant for his arrest. Local peace officers have had several previous complaints regarding conduct of Andrews.

After hearing evidence Tuesday afternoon, Judge Norris released Andrews on 90 days' probation.

### Athletic Club Will Challenge "World"

Beginning next Monday, the Centerville Athletic Club will issue challenges to all volley ball clubs of the state, regardless of "size, importance, creed, color or disposition," according to Judge Allen G. Norris, of the Athletic Club.

Summer vacation is over and the local boys want to demonstrate to the world in general that when better volley ball teams are made Centerville will make them.

### Visiting Officer Giving Examinations

A. Larsen, of San Leandro, is conducting the drivers' license examinations at the Centerville Justice Court on Tuesdays while Duffey Lewis is on his vacation.

## BEFORE YOU BUY TIRES

.. read the DUNLOP BONDED GUARANTEE

HERE is the soundest tire guarantee ever offered ... the Dunlop BONDED Guarantee. Don't buy another tire until you read it!

This sweeping guarantee covers your tires for a full year, against the twelve major tire troubles listed below.

Even if the trouble is the result of your own neglect or abuse, it makes no difference. The Surety Bond Guarantee still holds good.

Daring? Yes, on any other tire. But Dunlops are so good, so tough and enduring, that we actually take no risk.

We know this is pretty strong talk, but we're ready to back it up. Come in—today if you can—and ask us to prove what we say. Ask us to show you the Dunlop Surety Bond Guarantee. Do that—before you buy another tire!

The DUNLOP SURETY BOND GUARANTEE covers you for a year against ...

Accidents Rim smashes  
Collisions Sidewall injuries  
Blow-outs Tube pinching  
Misalignment Valve tearing  
Stone bruises Faulty toe-in  
Road cuts Under-inflation

The American Surety Company of New York, a \$30,000,000 corporation, stands back of the Surety Bond that goes with every Dunlop Tire.

Determined a Newspaper of General Circulation by decree of the Superior Court (Department 6), of Alameda County, California.

Subscription price, \$2.00 per year.

## CENTERVILLE NEWS

## A FAREWELL

A farewell from Orville Bloese, formerly reporter for Centerville, assisting Mrs. Bunting:

"Since the first of the year I have had the pleasure of writing news items and articles for the Centerville Register, a prominent page of the Township Register. It has been a pleasure to come in contact with many people on my weekly rounds whom I will surely miss now that I am leaving this township after seven years of residence here.

"I wish to thank at this time all those who have been so kind as to give me items, no matter whether they were one inch or ten. I appreciate them all. I am very sorry to give up my work on the Centerville Register staff of which I am proud to be a member. Much credit must go to Mrs. F. O. Bunting for the success of the new Centerville Register as she has written gratis her personals and society notes every week for many years without fail. She will still continue with the good work, I hope, after I leave.

"Respectfully yours,  
ORVILLE BLOESE."

Henry Gomes, employed at Rose's Garage in Centerville, broke his right arm at the wrist Monday morning while cranking a car. He was given first aid by Dr. G. S. Holeman.

The Register for better printing.

## County Fair at Hayward Shows Result of Community Enterprise

The Alameda County fair opened at Hayward Wednesday night with a mammoth parade, in which organizations representing every part of southern Alameda county took part, wound through the business district and passed into the fair grounds at Memorial park. Hayward's streets and buildings are gaily decked with flags and banners, and as the parade, with its gaily bedecked horsemen, beautiful floats and uniformed marching bodies, passed through the crowds that lined the streets, it made an unforgettable picture.

Congressman Albert E. Carter, of Oakland, is to be the principal speaker on Thursday night's program, with a committee headed by County Supervisor Charles W. Heyer in charge. Other speakers will be Harry Williams, city treasurer, of Oakland, and Paul Goldsmith, chairman of the Alameda County Development commission. Music for the evening will be provided by the Oakland fire department band and other entertainment will be provided by organizations from Oakland, Berkeley and Alameda, in honor of which cities the program has been arranged. Friday's fair program will be in honor of San Leandro and Saturday's for the San Francisco peninsula cities.

Outstanding among the fair attractions is the series of boxing bouts, which started Wednesday evening. Thursday night's boxing card will include four bouts among local amateur boxers, with the final event to be fought between Arthur "Bat" Larsen of the Southern Alameda County Traffic Squad and La Salle Morrow of the Athens Athletic Club in Oakland, both men weighing 150 pounds.

Other features of the fair include music and dancing every night in the main exhibit tent; circus sideshows, ferris wheel, merry-go-round and a merry mix-up in the concession quarters, and, not least in interest, exhibits of Alameda county farm products, poultry, pigeons and rabbits, and floral and commercial exhibits. Health and welfare organizations and the Alameda County Farm Bureau and its organizations among farm women, men and children are showing many exhibits of interest to those who would like to improve their homes and farms and the health and happiness of their families. The bewildering array of displays in the main tent is providing an impression of what community enterprise in this county can accomplish that should provide real inspiration for the thousands who are seeing it.

## CENTERVILLE NEWS

## Ford Agency Adds Another Staff Member

Miss Gladys Rose, of Centerville, has been added to the staff of the Dohner-Galbraith Ford Agency here to assist in taking care of the increasing volume of business. Miss Rose is secretary to the president.

## BANKITALY CLUB TO HAVE ANNUAL PICNIC SUNDAY

Staff members of the Centerville Branch of the Bank of Italy will attend the annual picnic of the Eastbay Chapter of the Bankitaly Club to be held next Sunday at Madrone Park in Contra Costa county, according to announcement by Frank Dusterberry, in charge of the local branch.

Mrs. Frank Dusterberry entertained Thursday with a bridge luncheon in honor of her sister-in-law, Mrs. J. D. Crothers, of Eureka, and Mrs. Agosti, who has been visiting her mother, Mrs. Howard Chadbourne.

Four tables were included in the guest list.

Escondido—Plans under consideration for issuing bonds to provide funds for erection of new high school building to replace recently burned structure.

Elsinore—Erection nearing completion on \$150,000 Country Clubhouse of Clevelin Realty Corporation.

## Hit-and-Run Driver Smashes Into Ford Car

F. Parredes, of Alvarado, suffered an injured back, painful but not serious cuts and bruises, and his Ford touring car was badly smashed when it was jammed between two fruit trees in the orchard south of Santos lane on the Niles-Centerville road about 9:30 o'clock Tuesday evening, a "hit and run" truck having collided with the Alvarado machine and no trace being found of the guilty person. Parredes was taken to Dr. E. C. Grau's Emergency hospital at Niles and given first aid, being removed to his home by friends.

The accident occurred just at the sharp turn on the west side of Santos road.

too far advanced to be stopped. However, it was controlled and confined to the Martin property, only a slight damage being done to the residence of Mrs. T. Miller, next door.

The Township Register has about 500 pounds of old papers for sale. Done up in bundles of five and ten pounds. Sell at two cents a pound.

HUMAN SYMPATHY  
PROTECTIVE CARE  
EXPERIENCE  
FINANCIAL  
RESPONSIBILITY  
ENDURING LIFE  
IMPARTIALITY

Will your Executor and Trustee  
combine all these qualities?

Yes—if you appoint the Bank of Italy!

No human being ever had enduring life, even if he did happen to embrace the other five qualities. Trust institutions have been created to give to estates that same thoughtful care and skillful management that they received while their owners were living and at the height of their mental powers. The Bank of Italy with its great strength, broad experience and intimate knowledge of every phase of business, industry, real estate, finance, investments, etc., is California's favorite Executor and Trustee. The services of this institution are at your disposal whether your estate is worth \$10,000 or millions.

Write or call today for  
interesting folders.

- (2) the dealer,
- (3) the owner—and
- (4) those who sell competitive cars.

Dodge Brothers say that the new Dodge Brothers Six, at \$945 to \$1065, is the best car they have ever presented; Dodge Brothers dealers say that it is the best car they have ever sold; owners say that it is the greatest value they have ever purchased.

And, fair-minded competitors will tell you that it is the most formidable rival they have ever known.

This consensus certainly makes the new Dodge Brothers Six too good a car for you to overlook. Your dealer will tell you all the facts regarding this remarkable automobile. Then, you check them up with a demonstration. And remember that your present car and a very small monthly payment will put a new Dodge Brothers Six in your hands.

# DECOTO REGISTER

ORVILLE BLOSE, Editor

## VALEDICTORY

(The following communication has been sent to the Decoto department by Orville Blose, former reporter):

"It has been by pleasure writing news for the Township Register for more than two years. The Decoto column at first was a single column affair, and then it became two columns wide and now has grown until it appears under a three-column head.

For nearly five years I have lived in Decoto and now I must leave all my friends who have been so kind as to give me news items from time to

time. At this time I wish to express my deep appreciation to them. My great desire is that all my readers will give my successor as much co-operation (news items) as they have given me.

Respectfully,  
ORVILLE BLOSE."

A new floor is being put in at Olsen's store here this week, this being a part of the general improvements made at this establishment recently.

T. E. Amaral and several other Decoto people attended the Eagles' meeting at Alvarado Monday evening.

## Widening of Hayward-Niles Highway Rapidly Progressing

Practically all the houses on both sides of the highway near the entrance of the California Nursery Company will have to be moved, to make way for the new wide paving, according to an opinion expressed by Judge J. A. Silva, who states that he was informed by road officials that bids are being taken for the removal of his residence just completed a few months ago. He was given no idea as to when the house would be moved.

L. E. Smith, agent of the Associated Oil Company on the foothill road, states that he does not know whether the widening of the road at that point, just below the Belvoir Hotel, will affect his plant or not.

Survey markings are to be seen along the middle of the present highway paving from Hayward to Niles and fills are being made along the west side of the road to provide a temporary passage while the paving proper is being placed.

## Local Postal Clerk Hauls In 42-lb. Salmon at Santa Cruz

Here's a fish tale the author of which says he expects nobody to believe, even though the veracity of the anglers has been recorded photographically.

A. R. Straub, clerk in the local postoffice, and a party of San Jose friends including Dick Elliott, Bob Trevey and Steve Thompson, of the San Jose State Security Bank, while fishing in Santa Cruz Bay Sunday afternoon hauled in a salmon that weighed forty-two and one half pounds.

After taking pictures of said

fish, they divided it among friends. "We could never have landed him if he hadn't been knocked out by the propeller which hit him as we hauled him in," said Straub.

## NEW LAWS CLOSE FENCED PROPERTY TO DEER HUNTERS

Livermore Stockmen Post Riders To Prevent Hunting

Deer hunters from the cities who anticipate good hunting in Livermore Valley will be disappointed, declares John McGlinchy, president of Livermore Stockman's Protective association, and county fire warden. Under the new trespass law, which was introduced at the last state legislature by Assemblyman William Jost at the instigation of the Stockman's association and passed at that time, it is no longer necessary to post signs every three miles to declare property closed, but all fenced property regardless of signs is now subject to protection.

The Livermore stockmen have posted riders on all of their property, which comprises the greater part of the surrounding deer country, and no hunting will be permitted even by the owners of the property until after the rains start, when permits will be issued. These measures have been taken because of fire risk in the heavy grass and brush growth, and the carelessness of hunters in regard to campfires and cigarette stubs.

## BAD HEADLIGHTS AND RECKLESSNESS DRAW COURT FINES

Tony Cortez, of Niles, was fined \$2 for glaring headlights, in Judge J. A. Silva's justice court Tuesday afternoon, and Manuel Mendoza, of Santa Clara, was fined \$25 for reckless driving.

Charges against Mendoza were preferred by George W. Hultgen, of San Jose, the collision having occurred between Alvarado and Centerville on July 7.

## Several Local Men Lucky In Deer Hunt

Manuel P. Rose and Duffey Lewis brought in a 100-pound buck from the Sunol territory early Tuesday morning. Others who have been fortunate in this respect are Al and Bob Vieux, Veloise Fournier, the Abrott "gang," and several others about town. Most of the bucks came from about Sunol.

## MRS. MARTIN'S HOME IS DESTROYED BY FIRE SATURDAY

Mrs. Carrie Martin's seven-room residence on Crane Alley was completely destroyed by fire Saturday afternoon and about half of the house furnishings including all the clothing were burned by the flames which consumed the frame dwelling within a few minutes in spite of the quick and efficient work of the fire department. It is thought that the blaze started from an over-heated flue while Mrs. Martin was canning fruit on the kitchen stove, or by defective wiring. The blaze seemed to have started in the roof at the front of the house.

About \$1,400 insurance on the house will be received by Mrs. Martin and a new residence will be erected by E. E. Dias in the immediate future. There was no insurance on the furnishings or clothing.

Mrs. Antone Alameda, of Berkeley, with three children, was visiting her mother, Mrs. Martin, at the time of the fire and also lost all of her clothing. Six other children of Mrs. Martin are with her.

## "Come on dad, mother is ready!"

## Plenty of hot water the instant you want it, saves your time for pleasure

Quickly mother's hands finish the housework. She saves countless minutes by having plenty of hot water without bother or waiting. Each week she has 4 to 6 hours more time for motoring or other pleasures.

You can have plenty of hot water day and night. It costs less than one-fifth of a cent per gallon—the lowest cost of any method for heating water in the home.

Details on replacing your old water heater with a new automatic gas water heater can be obtained at a dealer's store or by telephoning our local office.

There is no need of watching the automatic gas water heater.

## NEW TONE-SELECTIVITY and VOLUME

## Designed for 3-A.C. Screen Grid Tubes

Three UY-224, one UY-227, one UX-245 and one UX-280 Radiotrons. \$272.50  
Price, less tubes.

HERE is something radically new in Receivers. In this new No. 642 Stromberg-Carlson with its built-in Dynamic Speaker Stromberg-Carlson engineers have developed an instrument which brings a thrilling experience to its listeners.

Designed to reproduce the improved 100% Modulated Broadcasting with true tone, it has keener selectivity and greater distance ability.

In addition the use of 3 A. C. Screen Grid Tubes makes the intermediate audio stage unnecessary and so insures a new clarity of tone over an increased range of volume.

You never heard anything as wonderful in radio. Come in, and let us show you.

## Announcing Two New Models of the CHEVROLET SIX

Broadening the appeal of a line of cars which has already won over 950,000 buyers since January 1st, Chevrolet presents two distinguished new enclosed models of the Chevrolet Six—the Imperial Sedan and the Sport Coupe. With beautiful new Bodies by Fisher available in a variety of striking color combinations and with numerous advanced convenience features—these new models provide, in abundant measure, those elements of distinction ordinarily associated with more expensive automobiles.

When you examine the new Imperial Sedan and Sport Coupe,

you will be impressed by their individuality and completeness. But you cannot fully realize what an achievement they represent until you get behind the wheel and drive! For here are all the qualities of six-cylinder smoothness, power and acceleration which Chevrolet alone provides in the price range of the four—combined with economy of better than twenty miles to the gallon of gasoline!

Come in today. Learn for yourself the new standards of quality and luxury that Chevrolet has made available in six-cylinder cars—at prices within the reach of all!

The Roadster, \$525; The Phaeton, \$525; The Coupe, \$595; The Coach, \$595; The Sport Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695; The Sedan Delivery, \$595; The Light Delivery Chassis, \$400; The 1½ Ton Chassis, \$545; The 1½ Ton Chassis with Cab, \$650. All prices f.o.b. factory. Flins, Mich.

COMPARE the delivered price as well as the list price in considering automobile values. Chevrolet's delivered prices include only reasonable charges for delivery and financing.

**GRASS FIRE ON S. P.  
RIGHT-OF-WAY  
MONDAY**

Much excitement but little damage was caused by a grass fire which broke out upon the Southern Pacific right-of-way Monday afternoon, burning over forty or fifty feet of the roadside at the Shinn crossing and damaging several telephone poles and a portion of fencing. The blaze was extinguished by J. C. Shinn's house boy and Southern Pacific employees.

**New York Visitor Is  
Honoree at Luncheon**

Mrs. William Eberly was hostess at a bridge luncheon at Castlewood Country Club Saturday, the beautifully-appointed table in the dining room being set for twelve. The honor guest was Mrs. R. A. Miller, of New York, who with her two children, has been visiting her mother, Mrs. Mary Wood, in Cupertino.

Those present were Mrs. Miller, of New York; Mrs. Wood, Mrs. Shepherd, of Cupertino; Mrs. Crothers, of Eureka; Mrs. Cusens, Miss Dorothy Smith, Miss Elizabeth Cusens, of San Francisco; Mrs. Robert Boyer, of Sunnyvale; Mrs. C. R. Jelleff, of San Francisco; Mrs. Phillip Moore, Mrs. J. M. Williamson and Mrs. Eberly.

Following luncheon, cards were enjoyed on the south porch, prizes which were dainty hand-painted handkerchiefs done especially for the occasion by a friend of Mrs. Eberly's, were given to Mrs. Wood, Mrs. Shepherd, Mrs. Boyer and Mrs. Miller.

Mrs. Jelleff, who is to leave in September for Washington, D. C., and Mrs. Miller who is returning the latter part of August for New York, have been honored with several parties during the past few weeks, as has Mrs. Crothers.

**BLACOW'S RADIO  
SHOP WILL OPEN  
ON AUGUST 14TH**

Blacow's radio shop to occupy the Petersen theatre building will be open to the public about August 14, according to Joe Blacow, proprietor, who with his associate Marcelle Sullivan is making extensive improvements in the present quarters.

late a petition to that effect. We shall be glad to extend the service if it desired."

**Editorial Comment**

By NORMAN H. PARKS, Publisher Register

(Continued From Page One)

Centerville. He has won the admiration and respect of the Township Register.

Now this boy is preparing to enter the University of California. He is assisting his parents in financing his way through this magnificent higher school of learning. This summer he has solicited subscriptions for the Township Register, and made a success of the work. For the past month, he has filled the position of Gladys Williamson on the Register, while she was on a vacation, and written all the news appearing in this paper. We hesitated in assigning this task to a youth of Orville's age, but the boy said he could do it, so we turned the job over to him, however with some misgivings. As usual, the young man put his whole soul into the work, and came out with flying colors.

We like Orville. We like that type of a boy. We are expecting a great deal of him at the University of California. Our well wishes go with him to the Berkeley institution, and whatever honors come to him they will be none the less a joy to us than to him.

**Broadway Melody Season's  
Latest Hit Plays Here**

"The Broadway Melody," the biggest hit on the talking screen this season is coming to Niles next Wednesday, Thursday and Friday and will offer to local patrons an all-singing, all-talking attraction which has proved its worth in some of the biggest theatres on the coast. The story woven about a theme song and several popular novelty numbers deals with two small town girls who aspire to the Polities but find their act is a flop. The man who wrote the "Doll Dance," "Moonlit Waters," and other recent song hits has arranged the entire musical score, one of the sensational dance numbers being "The Wedding of the Painted Doll." Those who love a gay, colorful, tuneful musical comedy will be delighted with "The Broadway Melody."

Wednesday and Thursday of this week, William Haines stars in "The Duke Steps Out," story which proved its popularity in The Saturday Evening Post recently.

Saturday, "The Cohens and Kellys in Atlantic City" will star George Sidney and Vera Gordon, Kate Price and Mack Swain.

Sunday, Reginald Denny in "His Lucky Day" will offer another top-notch show.

**Jim Carr Will Be  
Taken to Hospital**

Jim Carr, of Niles, was taken in to Oakland Wednesday morning and is expected to be admitted to a state hospital. An injury to Mr. Carr's head a number of years ago is thought to have left him in an unbalanced mental state and recent increase of this affliction lead relatives to decide he would be better off in a hospital where he can be given treatments.

Santa Ana—Golden State Acceptance Corporation, with capital stock of \$15,000, filed incorporation papers.

**MORE ON  
WATER CO. IN FIRE**

(Continued from Page One)

conditions could be brought about.

"First, of course, we would have to have water mains and hydrants to get anything more than chemical protection. Then again we feel that the method of taxation as suggested was not fair. In town a man pays a fire tax on a house and a city lot. Out here we would have to pay a fire tax not only on a house and lot but on acres of ranch and orchard land which need no fire protection, as well. Many residents would be paying much greater tax than I but in reality would be getting no more protection, since all the fire protection they need is for a house, not for acres of fruit trees."

The possibility of this section going into the Centerville district has also been suggested. Two railroad crossings between the Niles fire department headquarters and this area lessens the possibility of protection since traffic is often held up for several minutes by long, slow freight trains. On the other hand the road between the Centerville fire department headquarters and this area is always open and the distance not much greater.

Richvale—\$400,000 mill will be erected by Pacific Coast Pulp & Paper Corporation. This company will employ 125 men in their production of paper from rice straw.
